JAZZ is a living, moving thing. It reveals the mood of its players, bringing excitement, the blues, or occasionally discord. Just as Brubeck's modern sounds reflect the pulse of life itself, and Kenton's progressive ideas show a searching for something new, the Titanian will try to bring to you a pictorial arrangement that reviews the sound, movement, and enthusiasm of our school life.

Through the theme of JAZZ, we offer you the progressive attitude of San Marino High School: the clear and constant beat of striving for new achievements, the modern surroundings, the introduction of new ideas, and the nostalgic echoes of memory that we will carry into the future. These things are part of JAZZ, part of our school, and part of our lives.

FOREWORD

ADMINISTRATION

SUPERINTENDENT OF SCHOOLS...

The unlimited vitality and the exuberant enthusiasm of youth are very similar to the fast moving and nerve tingling beat of the jazz band. Thus, it is quite fitting that the theme of this year's annual be "jazz." They go together and belong together because they typify the spirit and boundless energy of the high school student.

You are the envy of everyone. The small child looks forward to high school, the adult looks back at it, and both talk about it with a sparkle in their eye, which shows either anticipation or pleasant memories. You are in the spotlight and we are all proud of you.

Your school life is recorded through the activities in which you participate. No doubt, they have been many and I trust both enjoyable and profitable.

May I take this opportunity to congratulate you on the splendid achievements of the past and express my best wishes to you in the future.

PRINCIPAL

To my friends, the graduating class of 1957, my congratulations on your completion of this rung of the educational ladder!

It is interesting that the staff should have chosen jazz as the theme of the 1957 Titanian, for there are many characteristics shared jointly by jazz and our teen-agers. Jazz is truly the music of youth—its driving beat and momentum expressive of the energy, optimism, and "forward look" of high school age youth. Furthermore, jazz is vividly expressive, conveying the gamut of emotions—joy, sorrow, anticipation, regret. No one can be in the company of teen-agers long without finding that they, too, are abundantly expressive! Extemporization seems to be a keynote to jazz—a jazz piece is never played twice the same way. In the same way, individualism is a mark of youth—the probing experimentation of the teen-ager as his personality develops within the limits imposed by society and its conventions.

I'm not so much concerned that you remember the Pythagorean Theorem or other bits of factual information picked up in our classrooms, but I do hope that you have learned to think logically for yourselves, that you judge sources of information critically, and that you have the fortitude to stand up and be counted when you're on the side of right and justice. No better piece of advice can I give you than, "Search deeply, think freely, act boldly!"

SENIORS

The dictionary defines a Senior as someone of higher rank or standing. The dignity and prestige that goes with being a Senior is not enjoyed at any other time during high school days, and the Class of 1957 is no exception.

Working toward graduation, taking College Board Exams, and deciding how to spend the next years of their lives are serious matters which deserve earnest thought and preparation.

There is a much lighter side to being a Senior. The many Senior parties and the white sweaters of the Senior Class section during assemblies are privileges of which only a Senior is worthy. The all-night Grad Party is another special event reserved for the most superior.

The Class of 1957 has lived up to the definition of its rank and deserves all the admiration and respect of the rest of SMHS. Its members have proven themselves worthy of their title, Seniors.

JUNIORS

The Class of 1958 has always been known for the enthusiasm and vitality of its members. This was very evident during basketball season, when the Juniors sold refreshments to the spectators and stayed after the games to clean up the gym.

Another contribution from the Juniors was the sale of Student Directories to the student body. These handy little books saved many people the embarrassment of a wrong number or a misspelled name.

The money from these projects was largely responsible for an unforgettable Junior-Senior Prom. Held in the gardens of the Huntington-Sheraton Hotel on May 24, this dance was the Juniors' contribution to the Senior Class. It also helped to awaken the rest of the school to the fact that, next fall when the Class of '58 takes over as leaders, it will be a unified group that is proud of its accomplishments and wants to make San Marino High School proud of them.

SOPHOMORES

Who were the girls who stayed up all night at the Girls' League Slumber Party? What class claims the students who learned to drive at the expense of a '57 Ford with dual-control? Who else? The Sophomores!

The members of the Class of 1959 can no longer be called "lowly Frosh". They're full-fledged Titans, now, with a great deal of lively interest in their class and its activities.

This class had charge of Spring Sports Concessions, and also sold pom poms during basketball season. Another of their money-making projects was washing cars in the spring, an idea never tried by a class at SMHS. Because of the spirit and participation by the members of the class, these events were very successful and brought in the funds for a memorable Sophomore Class Dance in the middle of March.

The Sophomores are well on their way to becoming "upperclassmen", and with such a fine start in high school they're certain to be successful as future leaders of San Marino High.

FRESHMEN

As usual, when the Freshman Class made its debut on the SMHS campus, there were many varied remarks. The most common question was, "Did we look like that when we were Freshmen?". Some remarked about the new Freshman girls, and even more were heard to say, "Look at that cute Freshman boy. I sure wish I were young again!".

The Class of 1960 has taken a lot of joking because of its "lowly" status. Freshman initiation served to humble the new Titans properly, but it also showed the upperclassmen that they could take a joke as well as any other class.

Throughout the year the Frosh have proven their worth. At Christmas-time they sponsored a very worthwhile project for the benefit of an orphanage in Ensenada. In the fall they held the annual Freshman Day, where the class as a whole enjoyed recreation and dinner at school. They also sponsored the Annual Sign Party in June.

The rest of San Marino High is beginning to realize that these Freshmen have even more pep and vigor than the average Frosh. They are off to a good start as Titans, and can be expected to maintain an outstanding record in high school.

ORGANIZATIONS

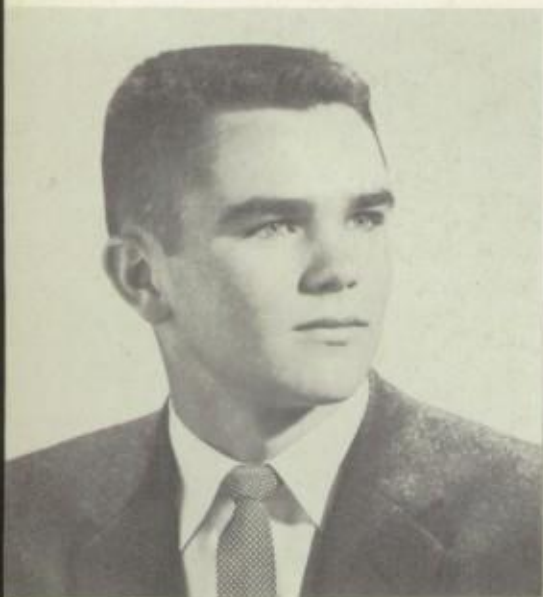

This year the "big seven" did a bang up job of running the student government. Under the leadership of Jim McDonald who emceed the assemblies with ease and dignity, the council worked long and hard to maintain high standards throughout San Marino High School.

These students were voted to their respective offices by the student body. Taken into consideration were their scholarship, citizenship, and fine qualities of leadership. After receiving these honors they maintained their standards throughout the entire year.

During the year they have voiced the student body's wishes, worked together to promote worthwhile school functions, and established new standards for the student body.

C. S. F.

Scholarship for service is the motto and purpose of chapter 462s of the California Scholarship Federation at SMHS. The membership in this club represents the superior students of the school. They have met the qualifications of three A's and a B, nothing lower than a B in citizenship, and no F's in academic work. This club works for a balanced group of students and thus gives credit toward membership to officers of school clubs.

Belonging to C.S.F. is quite an honor, and many privileges are awarded its members. Once a month the organization holds a meeting and each semester a field trip is taken. During the first semester, the field trip was to the Los Angeles Police Department, which was educational as well as entertaining. In return for these privileges C.S.F. has provided the school with two vending machines for fruit and pens.

Life membership is awarded those students who have been members of C.S.F. for four semesters, one of which must be in the senior year. This is shown by a gold seal on the diploma, and makes the member eligible for many kinds of scholarships.

TRI - Y COUNCIL

The Tri-Hi-Y Council is a composite of the girls who participate in Tri-Hi-Y actively. Tri-Hi-Y was formed to spread throughout the world the true spirit and meaning of Christianity.

This is the basis for the great enthusiasm for Tri-Hi-Y and its activities at San Marino High. Many orphanages, settlement houses, and under-privileged areas have been aided by the girls in Tri-Hi-Y. As these activities have been supported, a great movement has taken place to give aid in foreign lands. Each program has met with great success.

Not only do the members of Tri-Hi-Y spend worth-while hours in service to others, but also they help themselves to become better persons through good, clean fun. Many meetings are devoted to social and recreational activities with emphasis on Christian fellowship. One can honestly say that Tri-Hi-Y at San Marino High School is building a better America.

QUEEN . . .

SUSIE PELTON

PRINCESS PAT KAY

The crowning of her majesty is an event which is always anticipated by the whole student body. She is selected by the football team from all the girls at SMHS and crowned at the Royal Ball, given in her honor.

Possessor of queenly charm and grace, Susie Pelton is not only lovely to look at but her personality captivates all who know her. Her attendants were Senior Princess Pat Kay and Junior Princess Linda Morris, both outstanding personalities on campus. These girls have been bestowed with a great honor that they will long remember.

PRINCESS LINDA MORRIS

... AND HER COURT

OUTSTANDING STUDENTS

One of the highest honors awarded any student at San Marino High School is that of outstanding student. Such qualities as scholarship and service to the school make up the basis for the selection of these people. They are nominated by the faculty and voted on by the student body.

A tradition sponsored by the Titanian, the choice of the outstanding students from each class is not announced until the publication of the yearbook. It is a secret that the winners of such an honor find very difficult to keep.

PEP

The bulletin notice reads, "There will be a pep rally in the girls' gym at 12:30 today," or "Tonight we play South Pasadena on their field. Be sure and come to the game." Although similar messages are read almost every day and many of the students don't heed them, the songleaders, cheerleaders and flag girls appear at every game. Whether the weather is 32° or 88° these pepsters are out in front of the stands leading the cheers which encourage SMHS victory. Even when a game is lost, they keep the pep of San Marino active, and throughout the year have done their best to make good sportsmanship and lively spirit a part of winning.

Without this small portion of students, San Marino's enthusiasm would have no leadership, and the tremendous all-white San Marino rooting section would serve no purpose. The job of the pep squad might be trying and exhausting but they receive their reward when SMHS out-shouts their opponents.

STAFF

A San Marino High School Annual Staff is a very strange phenomena to behold. Not too many outsiders are allowed to see one in action, because the minute a stranger approaches everything in the staff room seems to disappear. The layout goes under a desk, pictures are turned upside-down and concealed under some handy object, and staff members either become very nonchalant or completely fade out of sight.

There are several times a year, however, when the personnel can be very easily distinguished from any normal students. These occasions are called deadlines. They bring many peculiar scenes to the campus, such as a staff member trying in vain to identify the "second girl from the left in the top row," or photographers snapping pictures of flagpoles, lamp posts, or trash cans, to fill the tall thin space in the layout labelled "school scenes."

Although the producers of the Titanian sometimes wonder why they didn't take Study Hall instead of Graphic Arts, their efforts will be greatly rewarded by a successful yearbook. They will thumb through their copy and think to themselves, "That was quite an experience!"

Meeting a deadline . . . re-writing stories . . . planning the layout sheet . . . copyreading . . . proofreading . . . writing appropriate headlines . . . and those never-to-be forgotten folding parties . . . are but a few of the headaches which face the Titan Shield Staff.

"Thespians" is the by word in the Dramatics Department, and it is this group of live wires that keep this department going. Thespians is a national Dramatics Honorary Society and membership in this organization is the reward for those students who give so relentlessly of their time and talent to further the Dramatics Program at SMHS.

The first production to hit the stage in '56-'57 was the annual "Christmas Vespers". The dramatic contribution to this program being "The Other Wiseman", starring Mike Demaree.

The All School Play, "The Perfect Idiot", next in line, found Jerry Puttler in a new field as a leading man, opposite Sue Riddle.

Almost before the applause had died down from "The Perfect Idiot" the Thespians were hard at work on "The Bishop's Candlesticks" which was presented at the Pasadena Playhouse in their annual One Act Play Contest. For his acting in the role of "The Convict", Cark Armstrong was picked as the best actor of the day — an honor well earned.

Last but not least, by any means, came the presentation of "The First Nighters", with brilliant performances by budding young actors in the Sophomore, Junior, and Senior Classes.

All these productions were directed by Miss Mary Kincheloe, who was ably assisted by this year's Stage Manager Dick Barcus.

SAN MARINO - 27
SAN GABRIEL - 6

In the first game of the season, the San Marino Titans smashed the Arcadia Apaches 27-0. San Marino got their first score on a two-yard plunge by Bucky Oltmans. The next week the Titans upheld their winning record by smashing the San Gabriel Matadors 27-6, led by the fine passing of Jim McDonald and the terrific pass receiving of Bill Cooper.

The Titan varsity opened this year's league play on October 5th by downing Artesia 34-12 at Memorial Stadium in Excelsior. The Titans got on the scoreboard early when Len Coultas crashed through the Pioneer line for six points and started a 21 point total for the first half. After the half, the Titans came back with two more scores by Bob Horgan and Bill Cooper.

SAN MARINO - 34
ARTESIA - 12

On Friday night, October 12, San Marino was upset 14-7 by the spirited Tigers of South Pasadena. In the first half, Bucky Oltmans, All League halfback, made the only score when he snagged a Tiger pass and scampered 67 yards for a six point tally. The PAT was made good by Jim Connelly.

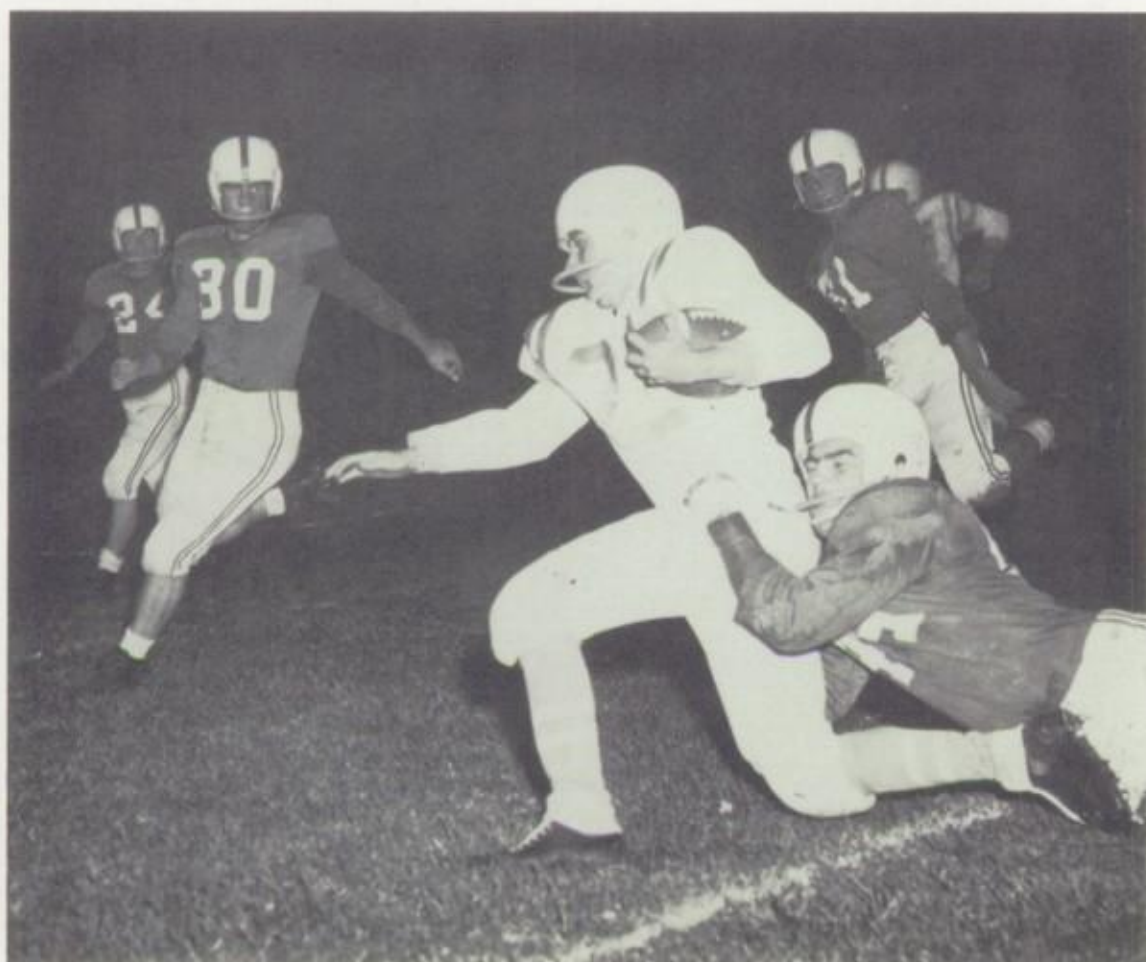

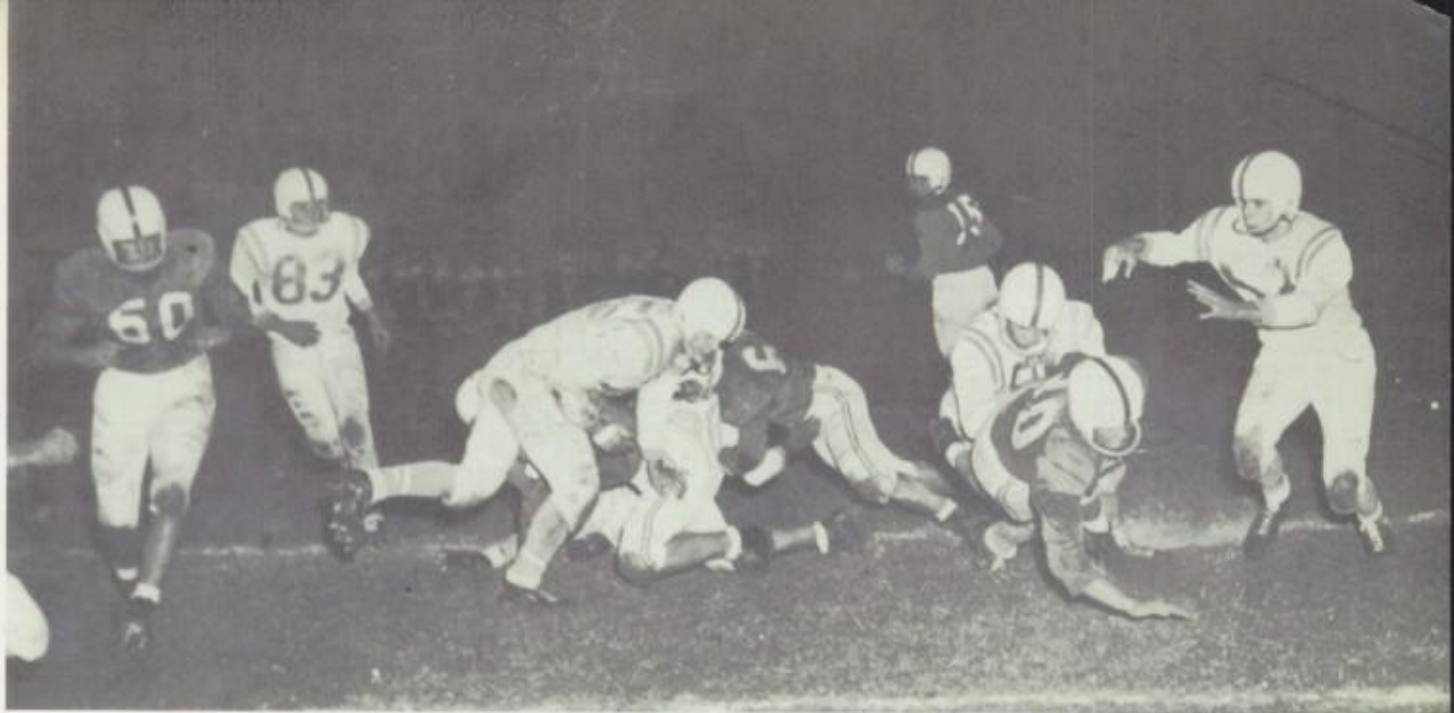

In the second half the Tigers marched 95 yards on the kick off to score, and the conversion was good to make the score 7-7. With two minutes to go, the Tigers again gained control and started a drive which ended in seven points. After the kick off the Titans started a desperate scoring drive, but with only a few seconds to go South Pas intercepted a pass and dashed our hopes.

The Tigers marched on to the league championship.

SAN MARINO - 7
SOUTH PASADENA - 14

Entering the fifth game of the season on October 19, the San Marino Varsity showed its typical Titan spirit and drive by smashing the Arroyo Knights 12-0. The Titans went into the game lacking two fine players, Bill Cooper and Jim Connelly, but the powerful first string backfield of Rodi, Oltmans, and Kerckhoff, kept the Titans on the winning end.

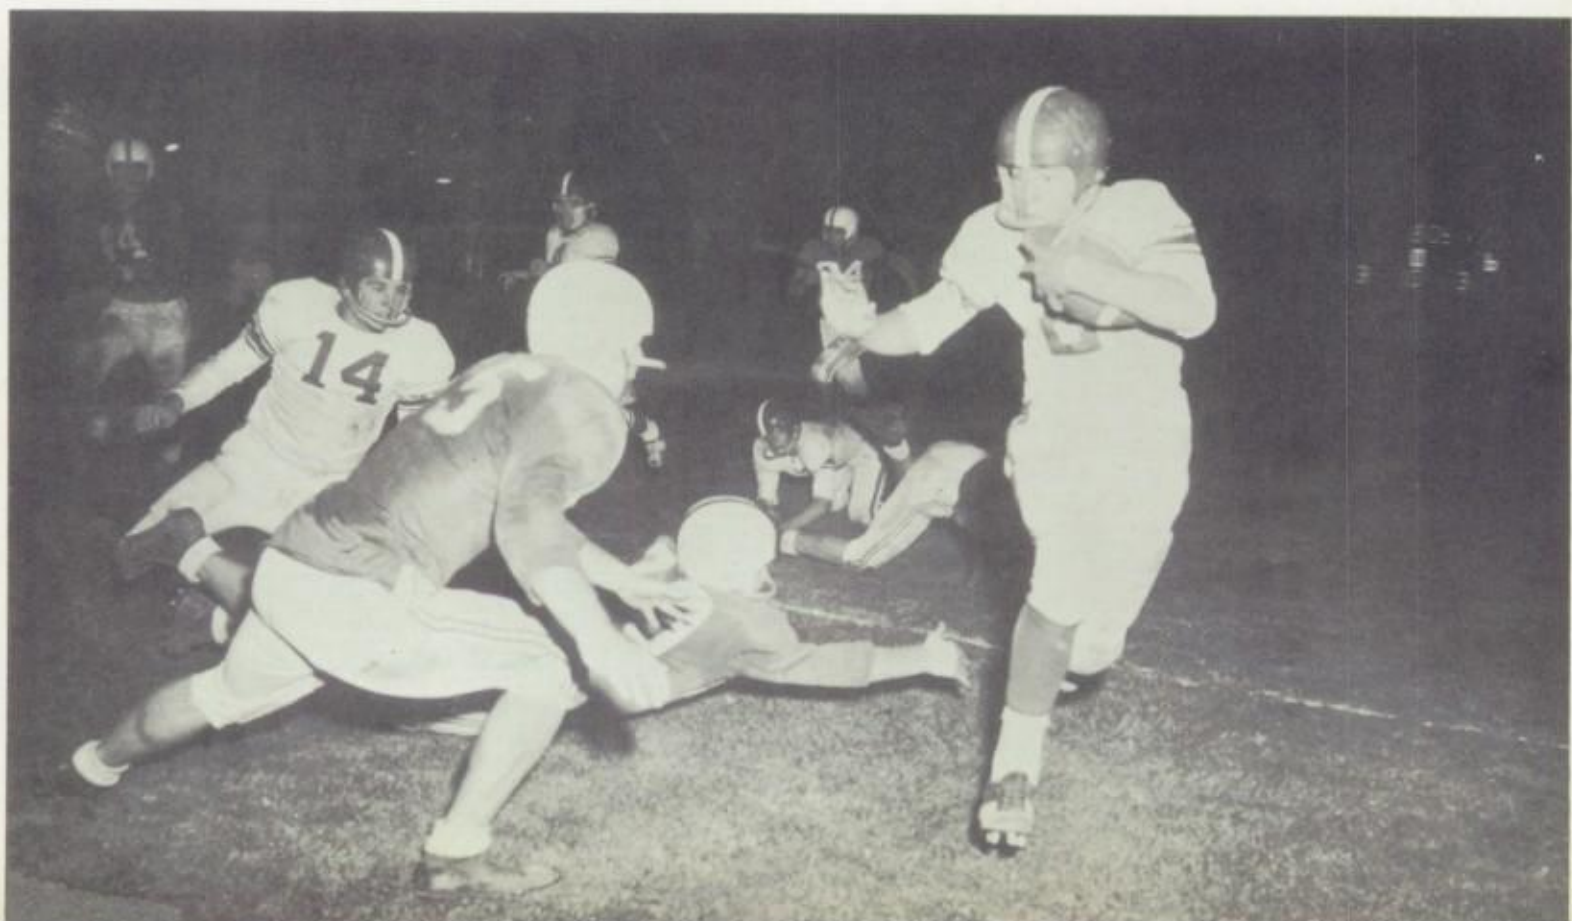

SAN MARINO - 12
ARROYO - 0

San Marino was again upset by the strong Bell Gardens squad on October 26. The Titans' first score came in the middle of the first quarter on a line plunge by Kerckhoff. The conversion was wide and the score stood 6-0.

Time and penalties kept the Lancers from pushing over the one-yard line, moments before the half.

In the second half the ball went back and forth until Parque started on a passing spree to pace his team to a 6 point score. The conversion was good, leaving San Marino on the short end of a 7-6 upset.

SAN MARINO - 6
BELL GARDENS - 7

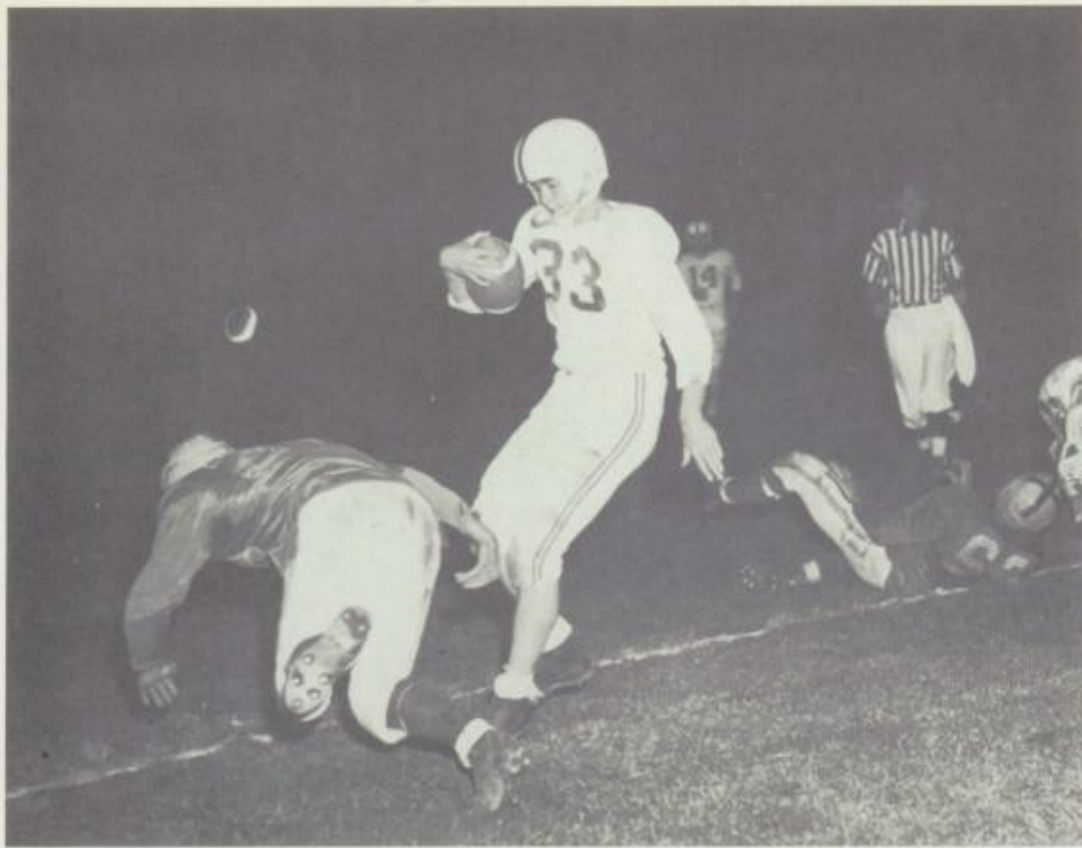

The Titan Varsity secured its fifth win of the season by tipping Temple City 33-6. The Titan's first score came on a 40 yard run by Darry Kerckhoff, and the conversion by Glynn Garland was good. The skillful punting of Bill Bolton put Temple City back in their own territory, and they were forced to kick. Shortly after, Kerckhoff scored on a drive and Rich Peyton sprinted twenty yards for a third tally.

Still in the second quarter Bill Riddell, on the thirty yard line, intercepted a Ram pass and shortly after, halfback Jamie White pushed through for another six points. Again Garland added the extra point. The last score for the Titans was on a throw from Jim Connelly to Bill Cooper.

SAN MARINO—33
TEMPLE CITY—6

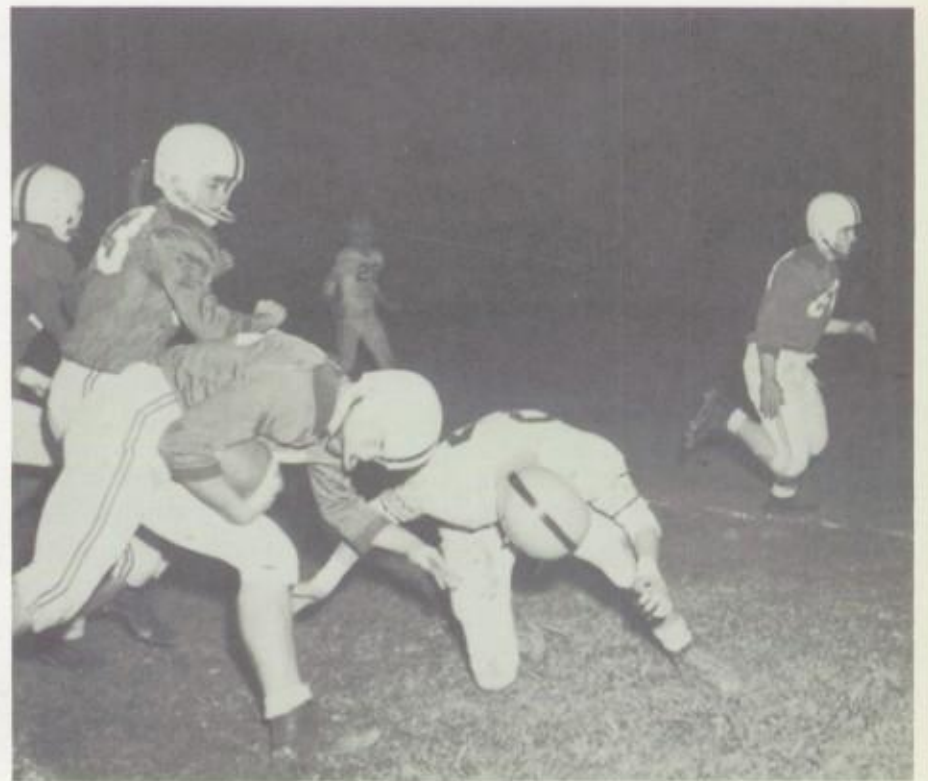

With the season's closing game, the San Marino Titans smashed the Santa Fe Chiefs 41-7. The Titans got on the scoreboard early, with two quick touchdowns by Darry Kerckhoff. Coach Schwenk then put in a substitute unit who employed the single wing. With the fine running of Jim Connelly and the blocking of Glynn Garland, the single wing team moved to a quick touchdown with Garland adding his third consecutive conversion. The Titans led at half time, 21-0.

In the second half the Titans overpowered the Santa Fe Chiefs by scoring three more touchdowns. The last score was a 40-yard pass from Jim Connelly to Dick Bermingham. Playing the best game of the year, the Titans end the season with eight wins and two losses; a fine record.

The Titan cindermen showed great strength as they opened their season, breaking many school records and piling up victory after victory with extremely unbalanced scores. The team was exceptionally well-rounded in field events as well as running, as the records prove. This power was not all individual ability, but was strengthened by the fine guidance and inspiration of Coaches Perry Fuller and Vic Shwenk.

BASEBALL

The 1957 Varsity Baseball team proved itself to be very aggressive and alert by winning six games out of six starts. This year the team set out to establish such a high standard and tradition that it will give all other teams of the future a goal to strike for and attempt to reach.

This year the team initiated a Yankee cut uniform of royal blue and white pinstripes that has met with the favorable approval of the team, student body and the community. As this copy goes to press the varsity opens its season against Artesia High School, and with the help of a fine pitching staff and good hitters it should bring back to SMHS the Rio Hondo League Championship.

JUNIOR VARSITY

The camera catches Bob Corse's powerful return.

Coach, Jack Bradford

With the major responsibility of being the defending CIF Small Schools Tennis Champions, the 1957 Varsity Squad got off to a good start. Winner of five straight practice matches and 31 consecutive dual matches, the team entered Rio Hondo League play with full confidence of repeating last year's championship.

Playing first singles were Gary Primm, followed by Bob Corse, Captain Carey Williams, John Edmundson, with Jim Schmidt, Don Whitaker and Dave Scanlan alternating at fifth singles. Doubles were capably handled by Dale Williamson and Duncan Sheldon, Bill Ashton and Dal Swart. Of these players, Corse, Williamson, Williams, Sheldon, and Primm were three-year lettermen.

The Junior Varsity also went well into the second season without a loss, having overwhelmed five rivals in early season matches.

SPORTSMANSHIP AWARD
WINNER, 1956-7

G. A. L.

Friendliness, good sportsmanship, and co-operation are the aims of GAL. After-school participation in sports is offered to any girl in school. The activities include volleyball, basketball, softball, swimming, and various individual sports. Points are accumulated through participation and those girls having the highest number of points at the end of the year are given awards at the annual GAL Awards Breakfast.

The organization is now five years old. Under the able direction of Miss Cheuvront, GAL has grown from a membership of fifty to over two-hundred.

This year the Girls' Athletic Department acquired a new teacher, Miss Nixon. Through her guidance the swimming program was very successful. She has also assisted in the other activities connected with GAL.

This club offers something not offered by other clubs on campus; the opportunity to participate on a competitive basis with other girls in the school, but with friendliness and sportsmanship as the keynote of the competition.

These playdays offer an opportunity for girls from different schools to play together and promote friendship among the schools.

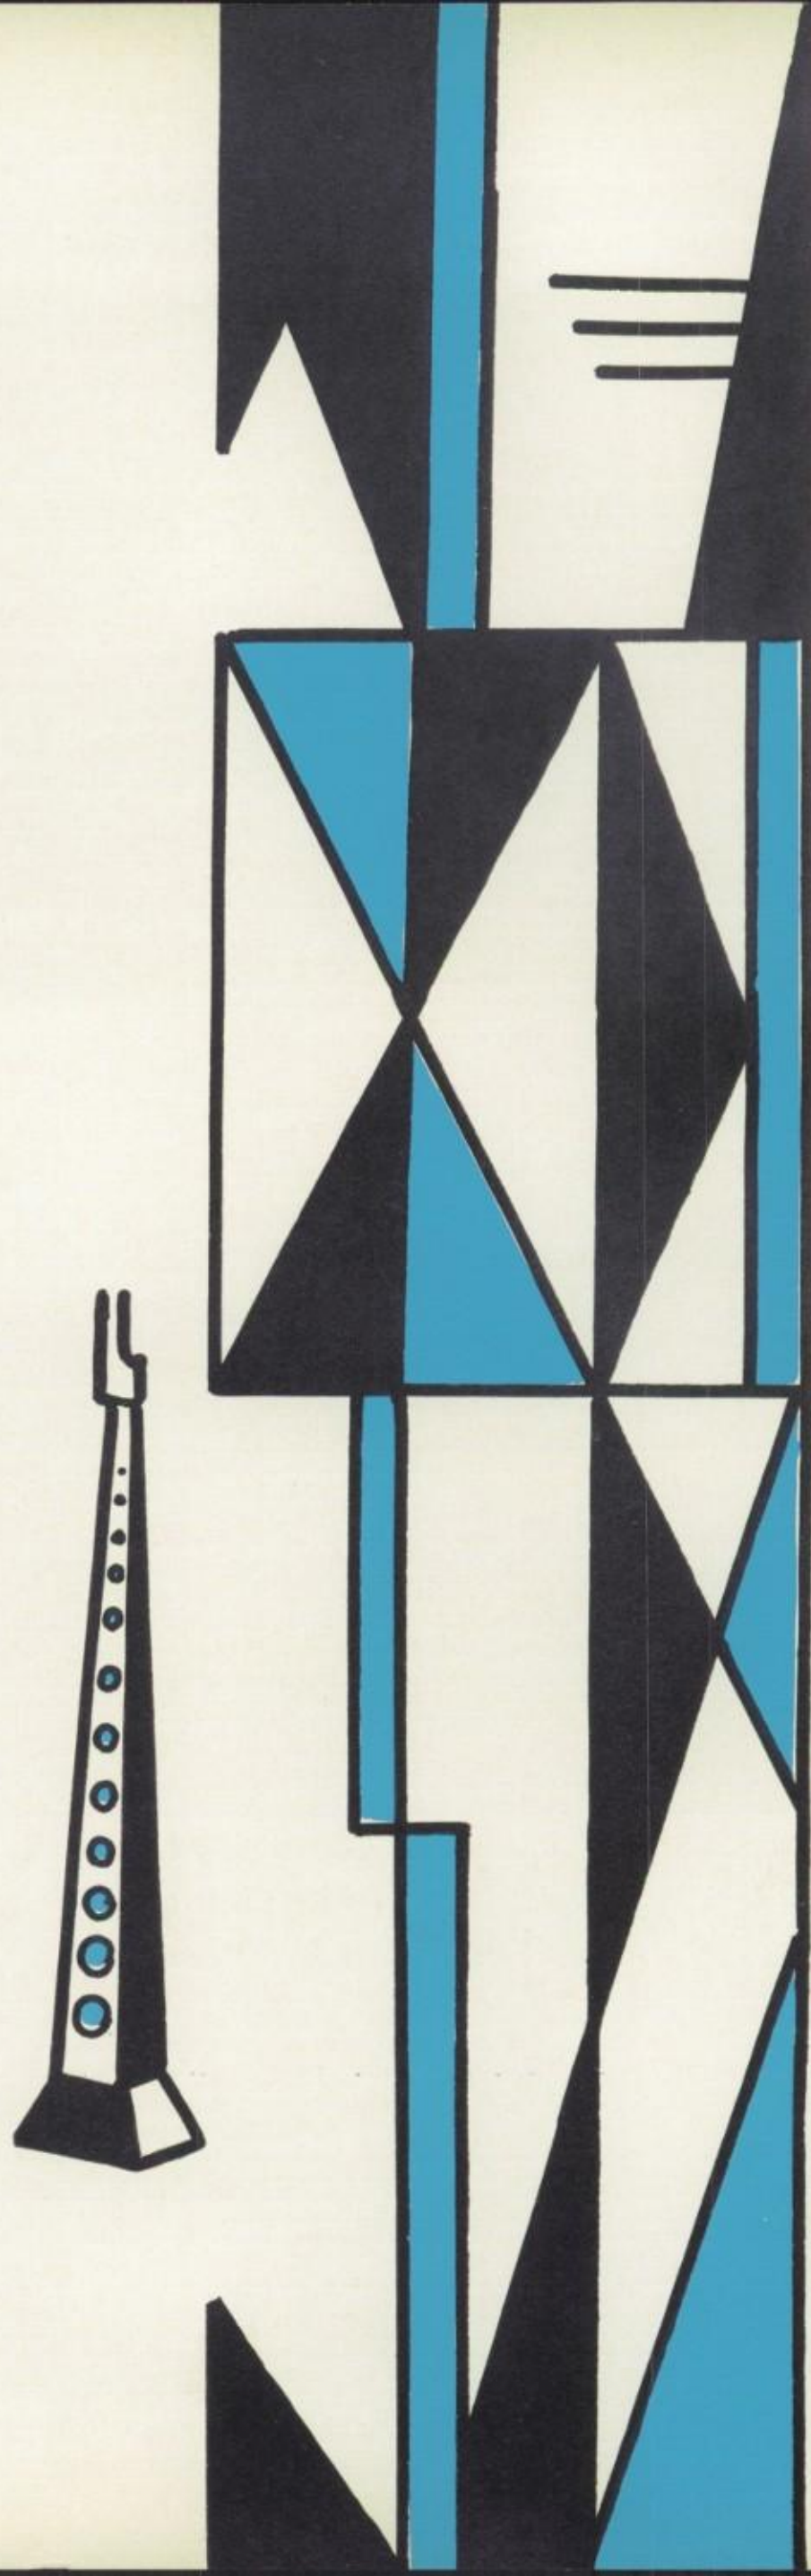

This year the club was invited to a swimming playday with Glendale Hoover. This was the first meet of its kind in the short history of GAL.

DICK GRAVES

JANE THODY

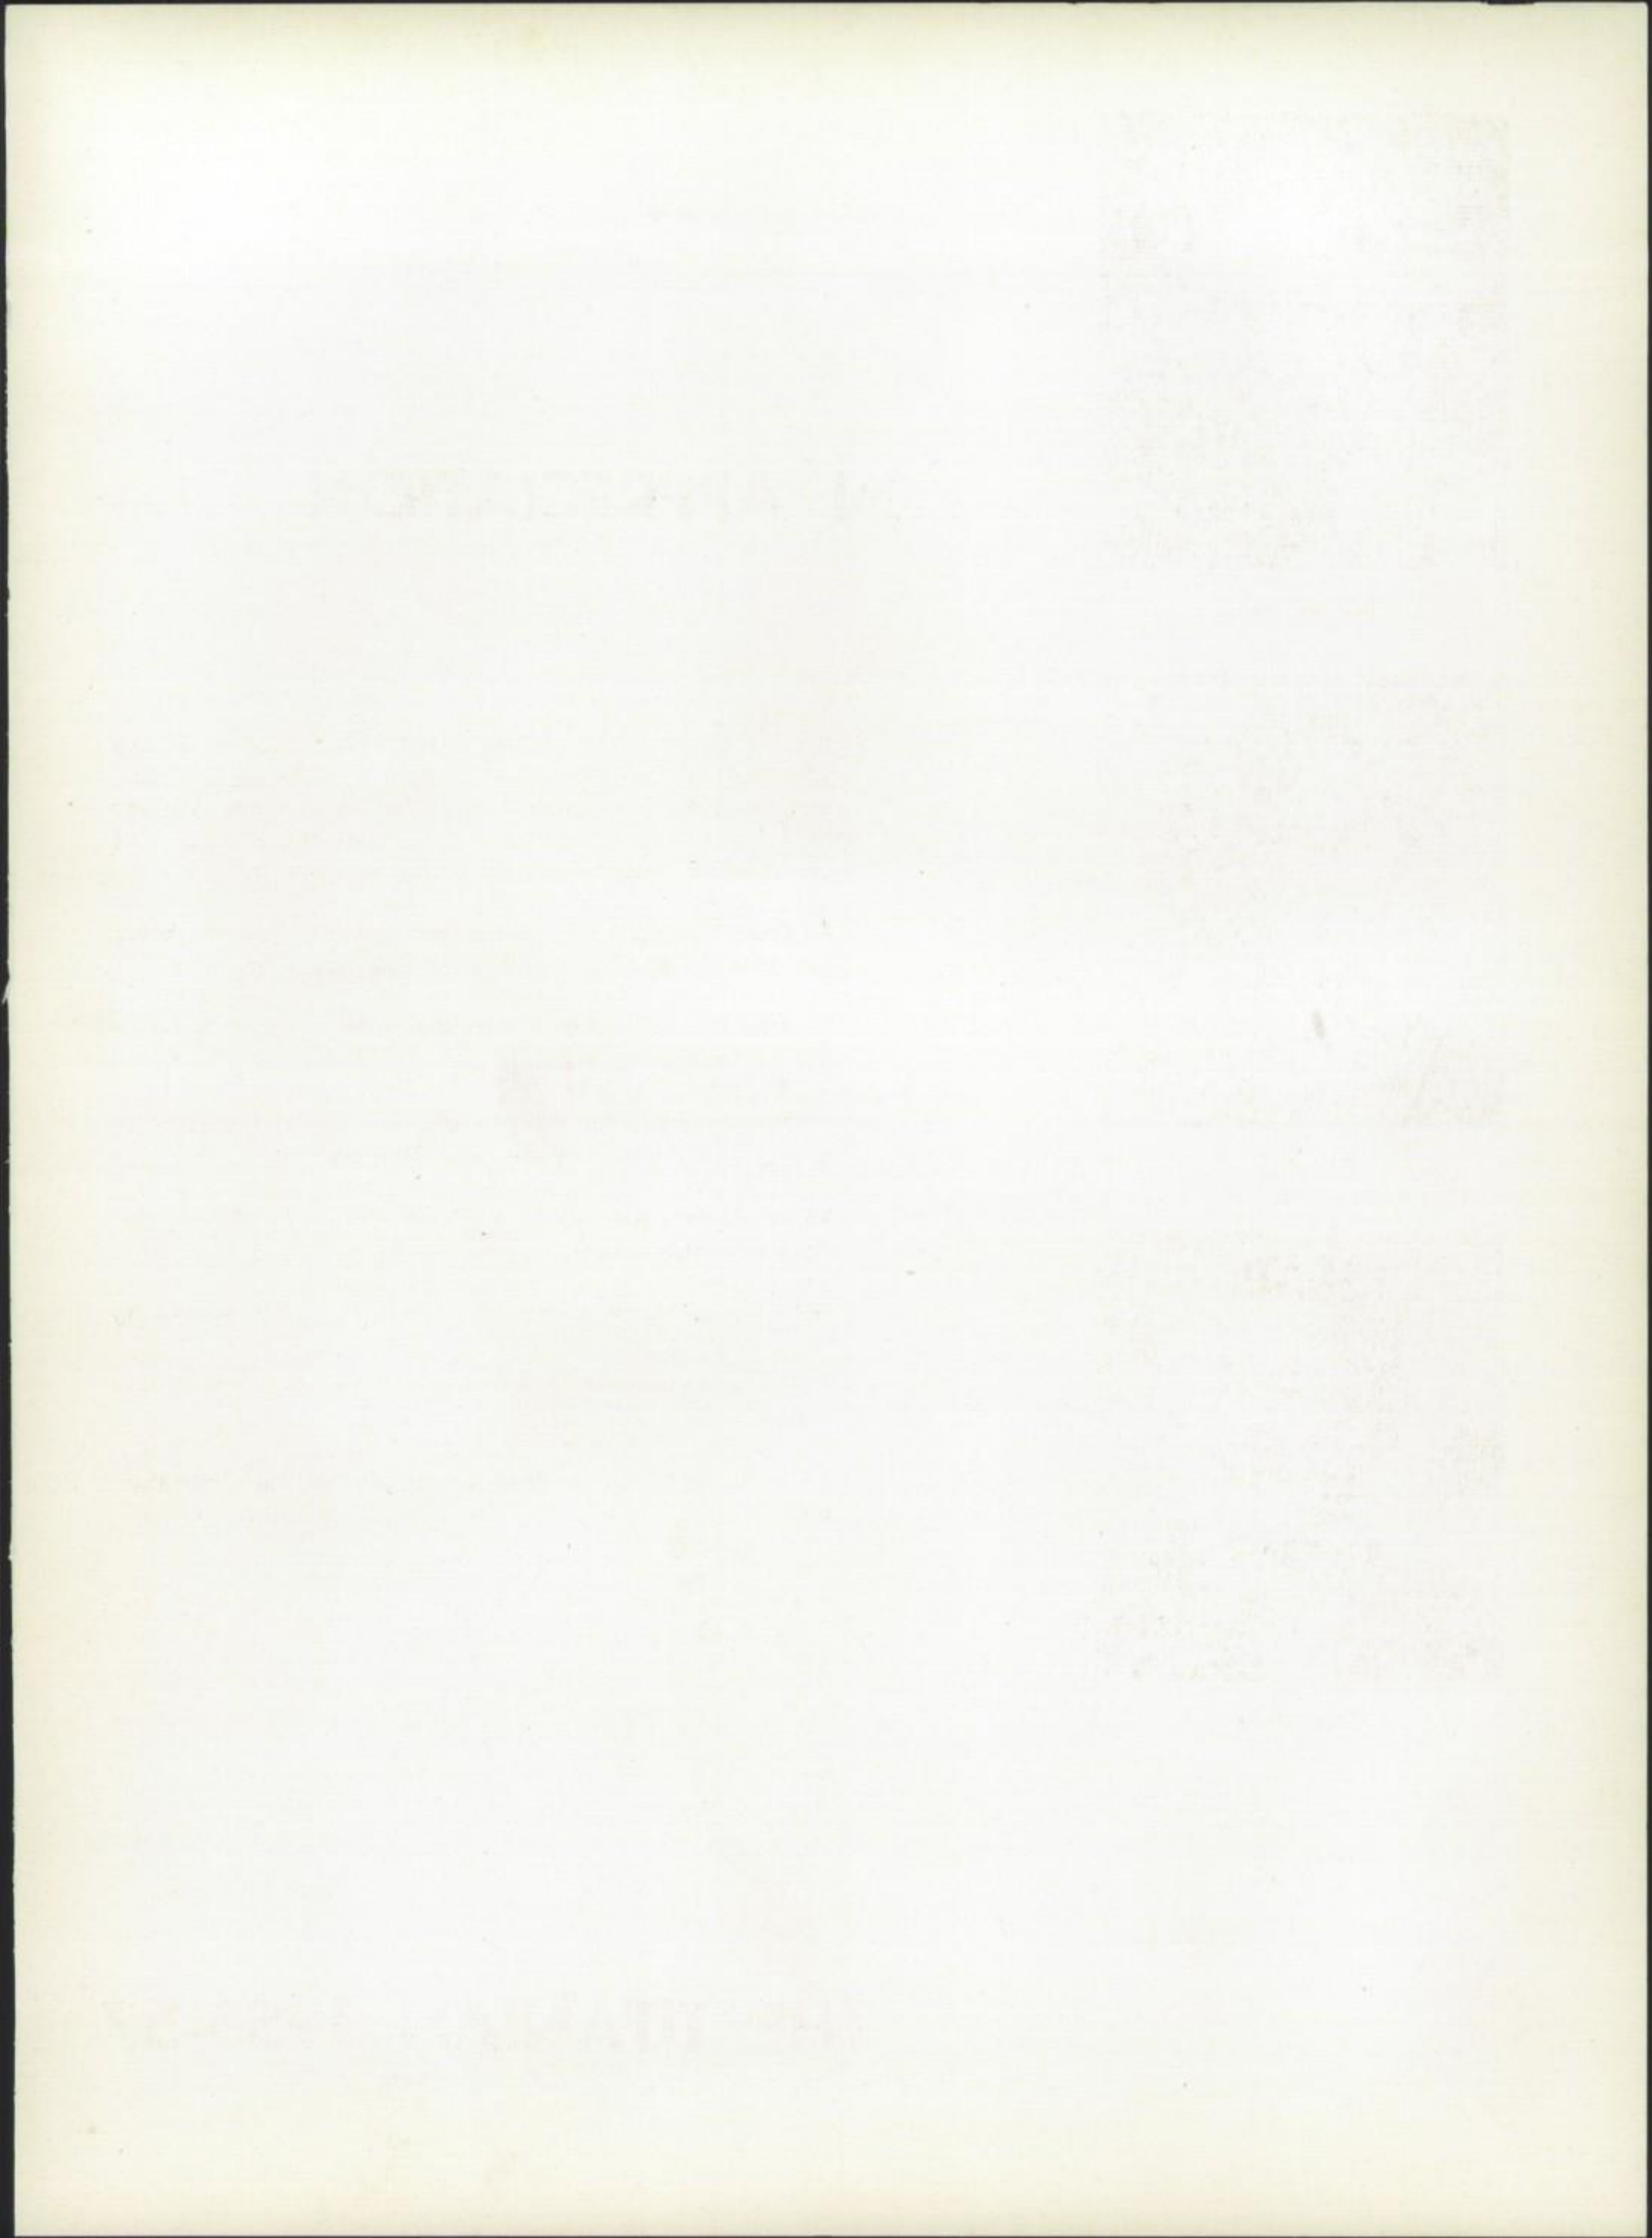

DOUG NORBERG

IN APPRECIATION . . .

- . . . To Dick Graves, the unfailing friend from Paul Kent Studios who took all the portraits which appear in the '57 Titanian, and aided the photography crew in countless ways. Without his unselfish giving of time and facilities, the production of our yearbook would never have been accomplished.
- . . . To Doug Norberg for all of his work in taking pictures, a big job done during classes and in his after-school free time.
- . . . To Jane Thody and her staff for their untiring efforts in building the advertising section.
- . . . To Virginia Byers for the time and energy she has spent in selling and distributing the 1957 Titanian.
- . . . To Mr. Christenson, yearbook advisor, for his helpful suggestions and able advice.
- . . . To Yearbook House, Monrovia, for their fine job of publishing
- . . . To the administration and faculty for their cooperation and support.
- . . . To the student body for their interest and backing of the yearbook.
